

Completed projects.

- Bulldog Way curb replacement in curve.
- Two Sidewalk replacements in Creekside - East of Pool house.
- Replaced sidewalk located at 306 Williams Drive.
- Street surface spot repair on Greenacre Drive approximately 3000 sq. ft.
- Installed signs for the Lions Club on County Road 900 and State Road 136.
- Replaced Speed limit signs on Northfield Drive.
- Installed Military banners on Main Street.
- Installed race banners on Northfield Drive.
- Installed American Flags on Main Street.
- Performed Weed control measures on the 56th Street Bridge over I-74.

Ongoing Projects:

- Limb pick-up has started in town with a new procedure put in place to be more economical and meet the needs of our residents. The department has been overwhelmed with the number of pickups received.
- Mosquito treatment throughout the Town has started.
- We have started addressing spot surface repairs on South Green Street. Our goal is to have this completed by June 9th. This will ensure South Green Street can hold up until road and utility reconstruction can be made.

Upcoming projects:

- Reconstruction of County Road 300N from Ronald Reagan Parkway to County Road 950E construction design is completed. The bid will be going out within the next 30 days.
