Meeting Type: Regular Meeting-January 20, 2022

Department: Public Works

SUMMARY STATEMENT:

In September of 2020 the City of Brenham along with Public Management and Strand Associates submitted a grant application to the Texas General Land Office requesting funds for mitigation projects throughout the City of Brenham related to Hurricane Harvey. In May of 2021, we received an email from the Texas General Land Office notifying the City of Brenham that the grant valued at \$5,001,643 was awarded for 11 specific drainage projects throughout town. We had been awaiting the final contract documents from GLO and have received them in late December.

By receiving these documents, once signed, we are now able to begin the process by working with Public Management (Grant Administrator) and Strand Associates (Engineer) to coordinate with GLO on a kick-off meeting and establish timelines for the drainage improvements that are identified with this grant. Within this grant, 11 specific areas are identified for funding:

1. North Dixie St. Drainage Improvements
2. Burleson Street Low Water Crossing
3. N. Saeger and W. Jefferson Improvements
4. Higgins Branch @ Henderson Park
5. Baylor St. Drainage Improvements
6. Commerce/Seelhorst/Clinton/Dark St. Improvements
7. Hogg Branch @ Alamo St
8. Hogg Branch (Jackson-Day St)
9. Hogg Branch @ Pecan St.
10. Tom Dee St. Improvements
11. Spinn St @ Day St.

The City of Brenham will be responsible for 1% of matching funds for this grant which is equivalent to \$50,017. These matching funds will be taken from the Drainage Fund that was established in 2020. This contract will become effective on the date in which it is signed and will commence on January 31, 2025.

We would respectfully ask council to approve this contract with the Texas General Land Office so that we can begin the process and collaboratively work with Public Management and Strand and Associates for the betterment of our community.

Requests for payment must be submitted via the GLO's Texas Integrated Grant Reporting (TIGR) system of record or as otherwise specified in a Technical Guidance Letter issued under this Contract.

Subrecipient will be paid in accordance with the Contract Budget and the Benchmarks described in **Attachment A**. Failure by Subrecipient to perform any action or submit any Deliverable as described in **Attachment A** could result in the GLO placing a hold on further Subrecipient draws, conducting an official monitoring risk assessment, or requiring repayment, in part or in full, by Subrecipient of drawn funds in addition to other remedies provided to the GLO under this Contract.

A draw request for an Advance Payment must be supported with documentation clearly demonstrating that the Advance Payment is required by Subrecipient in order for Subrecipient to continue carrying out the purpose of the Project.

2.02 TIMELY EXPENDITURES

In accordance with the Federal Register and to ensure timely expenditure of grant funds, Subrecipient shall submit reimbursement requests under this Contract, at a minimum, quarterly.

THE GLO MUST RECEIVE A REIMBURSEMENT REQUEST FOR AN INCURRED EXPENSE NOT LATER THAN ONE HUNDRED TWENTY (120) DAYS FROM THE DATE SUBRECIPIENT OR ANY OF ITS SUBCONTRACTORS INCUR THE EXPENSE. THE GLO MAY, IN ITS SOLE DISCRETION, DENY REIMBURSEMENT REQUESTS THAT DO NOT MEET THIS REQUIREMENT, ISSUE DELINQUENCY NOTICES, WITHHOLD CAPACITY POINTS ON FUTURE FUNDING COMPETITIONS, IMPOSE A MONITORING REVIEW OF SUBRECIPIENT'S ACTIVITIES, OR IMPLEMENT OTHER CORRECTIVE ACTIONS.

The GLO, in its sole discretion, may deny payment and de-obligate remaining funds from the Contract upon expiration or termination of the Contract. The GLO's ability to de-obligate funds under this **Section 2.02** notwithstanding, the GLO shall pay all eligible reimbursement requests that are timely submitted.

2.03 VARIANCE

Amendments to decrease or increase the subaward amount or to add or delete an Activity may be made only by written agreement of the Parties, under the formal Amendment process described in **Section 8.16**, below. THE GRANT COMPLETION REPORT SHALL BE IN A FORMAT PRESCRIBED BY THE GLO AND SHALL CONFIRM ELIGIBILITY AND COMPLETION OF ALL ACTIVITIES PERFORMED UNDER THIS CONTRACT. FAILURE TO SUBMIT THE FINAL BUDGET AND ACTUAL EXPENDITURES TO THE GLO AS PART OF THE GRANT COMPLETION REPORT PRIOR TO CONTRACT EXPIRATION OR TERMINATION WILL RESULT IN FORFEITURE AND DE-OBLIGATION OF REMAINING, UNREQUESTED FUNDS.

Upon completion of the Project, the GLO shall formally close out the Project by issuing a closeout letter to Subrecipient.

2.04 PROGRAM INCOME

In accordance with 24 C.F.R. § 570.489(e), Subrecipient shall maintain records of the receipt and accrual of all program income, as "program income" is defined in that section. ARTICLE III - DURATION, EXTENSION, AND TERMINATION OF CONTRACT

3.01 DURATION OF CONTRACT AND EXTENSION OF TERM

This Contract shall become effective on the date on which it is signed by the last Party and shall terminate on **January 31, 2025**, or upon the completion of all Benchmarks listed in **Attachment A** and required closeout procedures, whichever occurs first.

Subrecipient must meet all Project Benchmarks identified in Attachment A. Subrecipient's failure to meet any Benchmark may result in suspension of payment or termination under Sections 3.02, 3.03, or 3.04, below.

Upon receipt of a written request and acceptable justification from Subrecipient, the GLO, at its discretion, may agree to amend this Contract to extend the Contract Period one time for a period of up to two years. **ANY REQUEST FOR EXTENSION MUST BE RECEIVED BY THE GLO AT LEAST SIXTY (60) DAYS BEFORE THE ORIGINAL TERMINATION DATE OF THIS CONTRACT AND, IF APPROVED, SUCH EXTENSION SHALL BE DOCUMENTED IN A WRITTEN AMENDMENT.**

3.02 EARLY TERMINATION

The GLO may terminate this Contract by giving written notice specifying a termination date at least thirty (30) days after the date of the notice. Prior to a determination of an Event of Default, the GLO shall allow a thirty (30) day period to cure any deficiency or potential cause of an Event of Default. The GLO may extend the time allowed to cure any deficiency or potential cause of an Event of Default. The GLO shall not arbitrarily withhold approval of an extension of the time allowed to cure a deficiency or potential cause of an Event of Default. In no event shall the amount of time allowed to cure a deficiency or potential cause of an Event of Default extend beyond the Contract Period.

3.04 REMEDIES; NO WAIVER

Upon the occurrence of any Event of Default, the GLO may avail itself of any equitable or legal remedy available to it, including without limitation, withholding payment, disallowing all or part of noncompliant Activities, or suspending or terminating the Contract.

The Parties' rights or remedies under this Contract are not intended to be exclusive of any other right or remedy, and each and every right and remedy shall be cumulative and in addition to any other right or remedy given under this Contract, or hereafter legally existing, upon the occurrence of an Event of Default. The GLO's failure to insist upon the strict observance or performance of any of the provisions of this Contract or to exercise any right or remedy provided in this Contract shall not impair, waive, or relinquish any such right or remedy with respect to another Event of Default.

3.05 REVERSION OF ASSETS

Upon expiration or termination of the Contract and subject to this Article:

- (a) If applicable, Subrecipient shall transfer to the GLO any CDBG-MIT funds Subrecipient has in its possession at the time of expiration or termination that are not attributable to work performed on the Project and any accounts receivable attributable to the use of CDBG-MIT funds awarded under this Contract; and
- (b) If applicable, real property under Subrecipient's control that was acquired or improved, in whole or in part, with funds in excess of \$25,000 under this Contract shall be used to meet one of the CDBG-MIT National Objectives pursuant to 24 C.F.R. § 570.208, as identified in the Action Plan, until five (5) years after the expiration of this Contract or such longer period of time as the GLO deems appropriate. If Subrecipient fails to use the CDBG-MIT funded real property in a manner that meets a CDBG-MIT National Objective for the prescribed period of time, Subrecipient shall pay the GLO an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG-MIT funds for acquisition of, or improvement to, the property. Subrecipient may retain real property acquired or improved under this Contract after the expiration of the five-year period or such longer period of time as the GLO deems appropriate.

Subrecipient must submit completed forms to the GLO through the TIGR system, as instructed by the GLO Grant Manager.

If Subrecipient conducts no hiring or contracting efforts during a quarter, Subrecipient must report zeros in the quarterly report fields for such and add a note in the "other efforts, see remarks below" field that states that fact.

Subrecipient is not required to develop and implement a Section 3 Plan and assign a Section 3 Coordinator, but these actions are considered best practices.

ARTICLE V - FEDERAL AND STATE FUNDING, RECAPTURE OF FUNDS, AND OVERPAYMENT

5.01 FEDERAL FUNDING

- (a) Funding for this Contract is appropriated under the Further Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2018 (Division B, Subdivision 1 of the Bipartisan Budget Act of 2018) (Public Law 115-123), enacted on February 9, 2018, for necessary expenses for Activities authorized under Title I of the Housing and Community Development Act of 1974 (42 U.S.C. § 5301 et seq.) related to disaster relief, long-term recovery, restoration of infrastructure and housing, economic revitalization, mitigation, and affirmatively furthering fair housing, in accordance with Executive Order 12892, in the most impacted and distressed areas resulting from major declared disasters that occurred in 2015, 2016, and 2017 pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. § 5121 et seq.). The fulfillment of this Contract is based on those funds being made available to the GLO as the lead administrative state agency. All expenditures under this Contract must be made in accordance with this Contract, the rules and regulations promulgated under the CDBG-MIT Program and any other applicable laws. **All funds disbursed under this Contract are subject to recapture and repayment for non-compliance.**
- (b) **Subrecipient must have a Data Universal Numbering System (DUNS) number and a Commercial and Government Entity (CAGE) code. Subrecipient shall report its DUNS number and CAGE code to the GLO for use in various grant-reporting documents.** A DUNS number may be obtained by visiting the Dun & Bradstreet website: <https://www.dnb.com>. A CAGE code will be assigned when the obtained DUNS number is registered with the System for Award Management at <https://www.sam.gov>. Assistance with the System for

5.02 STATE FUNDING

- (a) This Contract shall not be construed as creating any debt on behalf of the State of Texas or the GLO in violation of Article III, Section 49, of the Texas Constitution. The GLO's obligations hereunder are subject to the availability of state funds. If adequate funds are not appropriated or become unavailable, the GLO may terminate this Contract. In that event, the Parties shall be discharged from further obligations, subject to the equitable settlement of their interests accrued up to the date of termination.
- (b) Any claim by Subrecipient for damages under this Contract may not exceed the amount of payment due and owing Subrecipient or the amount of funds appropriated for payment but not yet paid to Subrecipient under this Contract. Nothing in this provision shall be construed as a waiver of the GLO's sovereign immunity.

5.03 RECAPTURE OF FUNDS

Subrecipient shall conduct, in a satisfactory manner as determined by the GLO, the Activities as set forth in the Contract. The discretionary right of the GLO to terminate for convenience under **Section 3.02** notwithstanding, the GLO may terminate the Contract and recapture, and be reimbursed by Subrecipient for, any payments made by the GLO (a) that exceed the maximum allowable HUD rate; (b) that are not allowed under applicable laws, rules, and regulations; or (c) that are otherwise inconsistent with this Contract, including any unapproved expenditures. **This recapture provision applies to any funds expended for the Project or any Activity that does not meet a CDBG-MIT Program National Objective as specified in the Performance Statement in Attachment A or that is not otherwise eligible under CDBG-MIT regulations.**

5.04 OVERPAYMENT AND DISALLOWED COSTS

Subrecipient shall be liable to the GLO for any costs disallowed pursuant to financial and/or compliance audit(s) of funds Subrecipient received under this Contract. Subrecipient shall reimburse the GLO for such disallowed costs from funds that were not provided or otherwise made available to Subrecipient under this Contract. Subrecipient must refund disallowed costs and overpayments of funds received under this Contract to the GLO within 30 days after the GLO issues notice of overpayment to Subrecipient.

5.05 FINAL BENCHMARK

(a) Construction Activities

To ensure full performance of each construction Activity and the Project, the GLO has set aside an amount equal to five percent (5%) of Subrecipient's

construction budget per Activity until completion and acceptance by the GLO of all actions and Deliverables for the Activity, as identified in **Attachment A**.

The GLO shall make the final disbursement to Subrecipient only upon the GLO's receipt and acceptance of the Deliverables identified in **Attachment A** as required for the completion of construction phase.

If Subrecipient has multiple construction subcontracts, an amount equal to five percent (5%) of Subrecipient's construction budget per construction subcontract shall be withheld by the GLO until completion and acceptance by the GLO of all actions and Deliverables identified in **Attachment A** for the particular project. Separate Deliverables are required per construction subcontract, and associated costs are pro-rated in accordance with budget details in the final GLO-approved Application. If a project includes more than one Environmental Review Record, associated costs are pro-rated in accordance with budget details in the final GLO-approved Application.

(b) **Project Delivery – Grant Administration**

To ensure full performance of this Contract, the GLO has set aside an amount equal to five percent (5%) of Subrecipient's project delivery – grant administration budget until completion and acceptance by the GLO of all actions and Deliverables identified in **Attachment A**.

ARTICLE VI - INTELLECTUAL PROPERTY

6.01 OWNERSHIP AND USE

- (a) The Parties shall jointly own all right, title, and interest in and to all reports, drafts of reports, or other material, data, drawings, computer programs and codes associated with this Contract, and/or any copyright or other intellectual property rights, and any material or information developed and/or required to be delivered under this Contract, with each Party having the right to use, reproduce, or publish any or all of such information and other materials without obtaining permission from the other Party, subject to any other restrictions on publication outlined in this Contract, and without expense or charge.
- (b) Subrecipient grants the GLO and HUD a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for U.S. Government purposes, all reports, drafts of reports, or other material, data, drawings, computer programs, and codes associated with this Contract, and/or any copyright or other intellectual property rights, and any material or information developed and/or required to be delivered under this Contract.

6.02 NON-ENDORSEMENT BY STATE AND THE UNITED STATES

Subrecipient shall not publicize or otherwise circulate promotional material (such as advertisements, sales brochures, press releases, speeches, still or motion pictures, articles, manuscripts, or other publications) that states or implies the GLO, the State of Texas, U.S. Government, or any government employee, endorses a product, service, or position

Subrecipient represents. Subrecipient may not release information relating to this Contract or state or imply that the GLO, the State of Texas, or the U.S. Government approves of Subrecipient's work products or considers Subrecipient's work product to be superior to other products or services.

6.03 DISCLAIMER REQUIRED

On all public information releases issued pursuant to this Contract, Subrecipient shall include a disclaimer stating that the funds for this Project are provided by Subrecipient and the Texas General Land Office through HUD's CDBG-MIT Program.

ARTICLE VII - RECORDS, AUDIT, AND RETENTION

7.01 BOOKS AND RECORDS

Subrecipient shall keep and maintain under GAAP or GASB, as applicable, full, true, and complete records necessary for fully disclosing to the GLO, the Texas State Auditor's Office, the United States Government, and/or their authorized representatives sufficient information to determine Subrecipient's compliance with this Contract and all applicable laws, statutes, rules, and regulations, including the applicable laws and regulations provided in **Attachment D** and **Attachment E**.

7.02 INSPECTION AND AUDIT

- (a) All records related to this Contract, including records of Subrecipient and its subcontractors, shall be subject to the Administrative and Audit Regulations. Accordingly, such records and work product shall be subject, at any time, to inspection, examination, audit, and copying at Subrecipient's primary location or any location where such records and work product may be found, with or without notice from the GLO or other government entity with necessary legal authority. Subrecipient shall cooperate fully with any federal or state entity in the conduct of inspection, examination, audit, and copying, including providing all information requested. Subrecipient will ensure that this clause concerning federal and state entities' authority to inspect, examine, audit, and copy records and work product, and the requirement to fully cooperate with the federal and state entities, is included in any subcontract it awards.
- (b) The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. Acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. **The Office of the Comptroller General of the United States, the Government Accountability Office, the Office of Inspector General, or any authorized representative of the U.S. Government shall also have this right of**

inspection. Subrecipient shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Subrecipient and the requirement to cooperate is included in any subcontract it awards.

- (c) Subrecipient will be deemed to have read and know of all applicable federal, state, and local laws, regulations, and rules pertaining to the Project, including those identified in **Attachment D**, governing audit requirements.
- (d) At any time, the GLO may perform, or instruct a for-profit Subrecipient to perform, an annual Program-specific, fiscal, special, or targeted audit of any aspect of Subrecipient's operation. Subrecipient shall maintain financial and other records prescribed by the GLO or by applicable federal or state laws, rules, and regulations.

7.03 PERIOD OF RETENTION

All records relevant to this Contract shall be retained for a period of three (3) years subsequent to the final closeout of the overall State of Texas CDBG-MIT grant, in accordance with federal regulations. **The GLO will notify all Program participants of the date upon which local records may be destroyed.**

ARTICLE VIII - MISCELLANEOUS PROVISIONS

8.01 LEGAL OBLIGATIONS

For the duration of this Contract, Subrecipient shall procure and maintain any license, authorization, insurance, waiver, permit, qualification, or certification required by federal, state, county, or city statute, ordinance, law, or regulation to be held by Subrecipient to provide the goods or services required by this Contract. Subrecipient shall pay all costs associated with all taxes, assessments, fees, premiums, permits, and licenses required by law. Subrecipient shall pay any such government obligations not paid by its subcontractors during performance of this Contract. **Subrecipient shall maintain copies of such licenses and permits as a part of its local records in accordance with Section 7.01 of this Contract or as otherwise specifically directed by the GLO. Subrecipient shall provide Monthly Activity Status Reports via the GLO system of record in accordance with Section 4.02 of this Contract.**

8.02 INDEMNITY

As required under the Constitution and laws of the State of Texas, each Party understands that it is solely liable for any liability resulting from its acts or omissions. No act or omission of a Party shall be imputed to the other Party. Neither Party shall indemnify or defend the other Party.

8.03 INSURANCE AND BOND REQUIREMENTS

- (a) Unless Subrecipient is authorized by Chapter 2259 of the Texas Government Code to self-insure, Subrecipient shall carry insurance for the duration of this Contract in types and amounts necessary and appropriate for the Project.
- (b) Subrecipient shall require all contractors, subcontractors, vendors, service providers, or any other person or entity performing work described in

Attachment A to carry insurance for the duration of the Project in the types and amounts customarily carried by a person or entity providing such goods or services. Subrecipient shall require any person or entity required to obtain insurance under this section to complete and file the declaration pages from the insurance policies with Subrecipient whenever a previously identified policy period expires during the term of Subrecipient's contract with the person or entity, as proof of continuing coverage. Subrecipient's contract with any such person or entity shall clearly state that acceptance of the insurance policy declaration pages by Subrecipient shall not relieve or decrease the liability of the person or entity. **Persons or entities shall be required to update all expired policies before Subrecipient's acceptance of an invoice for monthly payment from such parties.**

- (c) Subrecipient shall require performance and payment bonds to the extent they are required under Chapter 2253 of the Texas Government Code.
- (d) **Subrecipient shall require any person or entity performing work on any construction Activity under the Contract to complete form SF-424D, entitled "Assurances – Construction Programs," and Subrecipient shall maintain such documentation.**

8.04 ASSIGNMENT AND SUBCONTRACTS

Subrecipient must not assign, transfer, or delegate any rights, obligations, or duties under this Contract without the GLO's prior written consent. Any attempted assignment, transfer, or delegation in violation of this provision is void and without effect. Notwithstanding this provision, it is mutually understood and agreed that Subrecipient may subcontract with others for some or all of the services to be performed under this Contract. In any approved subcontracts, Subrecipient must legally bind the subcontractor to perform and make such subcontractor subject to all the duties, requirements, and obligations of Subrecipient as specified in this Contract. Nothing in this Contract shall be construed to relieve Subrecipient of the responsibility for ensuring that the goods delivered and/or the services rendered by Subrecipient and/or any of its subcontractors comply with all the terms and provisions of this Contract.

For subcontracts to which Federal Labor Standards requirements apply, Subrecipient shall submit to the GLO all documentation required to ensure compliance. Subrecipient shall retain five percent (5%) of the payment due under each of Subrecipient's construction or rehabilitation subcontracts until the GLO determines that the Federal Labor Standards requirements applicable to each such subcontract have been satisfied, as outlined in Section 5.05 above.

8.05 PROCUREMENT

Subrecipient must comply with the procurement procedures stated at 2 C.F.R. §§ 200.318 through 200.327 and all other applicable federal, state, and local procurement procedures and laws, regulations, and rules. Failure to comply with 2 C.F.R. §§ 200.318 through 200.327 and all other applicable federal, state, and local procurement procedures and laws, regulations, and rules could result in recapture of funds. Subrecipient must confirm

that its vendors and subcontractors are not debarred from receiving state or federal funds at each of the following web addresses:

- (a) the Texas Comptroller's Vendor Performance Program at <https://comptroller.texas.gov/purchasing/>; and
- (b) the U.S. General Services Administration's System for Award Management at <https://www.sam.gov/>.

8.06 EQUIPMENT AND COMPUTER SOFTWARE

Any purchase of Equipment or computer software made pursuant to this Contract shall be made in accordance with all applicable laws, regulations, and rules, including those defined in 2 C.F.R. § 200.313.

In accordance with 24 C.F.R. § 570.502(a), if Equipment is acquired, in whole or in part, with funds under this Contract and is then sold, the proceeds shall be considered program income, as defined in **Section 2.04** above. Equipment not needed by Subrecipient for Activities under this Contract shall be (a) transferred to the GLO for the CDBG-MIT Program or (b) retained by Subrecipient after compensating the GLO an amount equal to the current fair market value of the Equipment less the percentage of non-CDBG-MIT funds used to acquire the Equipment.

8.07 COMMUNICATION WITH THIRD PARTIES

The GLO and the authorities named in **Article VII**, above, may initiate communications with any subcontractor of Subrecipient, and may request access to any books, documents, personnel, papers, and records of a subcontractor which are pertinent to this Contract. Such communications may be required to conduct audits, examinations, Davis-Bacon Labor Standards interviews, and gather additional information as provided in **Article VII** herein.

8.08 RELATIONSHIP OF THE PARTIES

Subrecipient is associated with the GLO only for the purposes and to the extent specified in this Contract. Subrecipient is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract creates a partnership or joint venture, an employer-employee or principal-agent relationship, or any liability whatsoever with respect to the indebtedness, liabilities, or obligations of Subrecipient or any other party. Subrecipient shall be solely responsible for, and the GLO shall have no obligation with respect to, the following: the withholding of income taxes, FICA, or any other taxes or fees; industrial or workers' compensation insurance coverage; participation in any group insurance plans available to employees of the State of Texas; participation or contributions by the State of Texas to the State Employees Retirement System; accumulation of vacation leave or sick leave; or unemployment compensation coverage provided by the State of Texas.

8.09 COMPLIANCE WITH OTHER LAWS

In the performance of this Contract, Subrecipient must comply with all applicable federal, state, and local laws, statutes, ordinances, and regulations, including those listed in **Attachments B, C, and D**. Subrecipient is deemed to know of and understand all applicable laws, statutes, ordinances, and regulations affecting its performance under this Contract.

8.11 GOVERNING LAW AND VENUE

This Contract and the rights and obligations of the Parties hereto shall be governed by, and construed according to, the laws of the State of Texas, exclusive of conflicts of law provisions. Venue of any suit brought under this Contract shall be in a court of competent jurisdiction in Travis County, Texas. Subrecipient irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of *forum non conveniens*, that it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction with respect to this Contract or any related document. **NOTHING IN THIS CONTRACT SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.**

8.12 SEVERABILITY

If a court of competent jurisdiction determines any provision of this Contract is invalid, void, or unenforceable, the remaining terms, provisions, covenants, and conditions of this Contract shall remain in full force and effect and shall in no way be affected, impaired, or invalidated.

8.13 DISPUTE RESOLUTION

Except as otherwise provided by statute, rule or regulation, Subrecipient shall use the dispute resolution process established in Chapter 2260 of the Texas Government Code and related rules to attempt to resolve any dispute under this Contract, including a claim for breach of contract by the GLO, that the Parties cannot resolve in the ordinary course of business. Neither the occurrence of an event giving rise to a breach of contract claim nor the pendency of such a claim constitutes grounds for Subrecipient to suspend performance of this Contract. Notwithstanding this provision, the GLO reserves all legal and equitable rights and remedies available to it. **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF THE GLO'S SOVEREIGN IMMUNITY.**

8.14 CONFIDENTIALITY

To the extent permitted by law, Subrecipient and the GLO shall keep all information, in whatever form produced, prepared, observed, or received by Subrecipient or the GLO, confidential to the extent that such information is: (a) confidential by law; (b) marked or designated "confidential" (or words to that effect) by Subrecipient or the GLO; or (c) information that Subrecipient or the GLO is otherwise required to keep confidential by this Contract. Subrecipient must not make any communications or announcements relating to this Contract through press releases, social media, or other public relations efforts without the prior written consent of the GLO.

8.15 PUBLIC RECORDS

The GLO shall post this Contract to the GLO's website. Subrecipient understands that the GLO will comply with the Texas Public Information Act (Texas Government Code Chapter 552, the "PIA"), as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas (the "Attorney General"). Information, documentation, and other material in connection with this Contract may be subject to public disclosure pursuant to the PIA. Subrecipient is required to make any information created or exchanged with the GLO or the State of Texas pursuant to the Contract, and not otherwise excepted from disclosure under the PIA, available to the GLO in portable document file (".pdf") format or any other format agreed upon between the Parties that is accessible by the public at no additional charge to the GLO or the State of Texas. By failing to mark any information that Subrecipient believes to be excepted from disclosure as "confidential" or a "trade secret," Subrecipient waives any and all claims it may make against the GLO for releasing such information without prior notice to Subrecipient. The Attorney General will ultimately determine whether any information may be withheld from release under the PIA. Subrecipient shall notify the GLO's Office of General Counsel within twenty-four (24) hours of receipt of any third-party written requests for information and forward a copy of said written requests to PIALegal@glo.texas.gov. If a request for information was not written, Subrecipient shall forward the third party's contact information to the above-designated e-mail address.

8.16 AMENDMENTS TO THE CONTRACT

Amendments to decrease or increase the subaward, to add or delete an Activity as allowed by the Guidance Documents, to extend the term of the Contract, and/or to make

other substantial changes to the Contract may be made only by written agreement of the Parties under the formal Amendment process outlined below, except that, upon completion of the Project, the GLO shall issue a closeout letter pursuant to **Section 2.03**. The formal Amendment process requires official request documentation from Subrecipient detailing all provisions to be amended and supporting documentation as required. The GLO Grant Manager will confirm and review the request and, as appropriate, submit the proposed amended language or amount to the GLO's Contract Management Division for the preparation of a formal Amendment and circulation for necessary GLO and Subrecipient signatures. In the sole discretion of the GLO and in conformance with federal law, the GLO may approve other adjustments required by the GLO during Project performance through a Revision or Technical Guidance Letter unilaterally issued by the GLO and acknowledged by Subrecipient. Such GLO approvals must be in writing and may be delivered by U.S. mail or electronic mail.

Pursuant to **Section 2.03** hereof, a final **Grant Completion Report** for all Activities performed under this Contract shall be submitted to the GLO for review and approval prior to expiration of the Contract and shall include all such informal Revisions approved by the GLO over the life of the Contract.

8.17 ENTIRE CONTRACT AND MODIFICATIONS

This Contract, its Attachments, and any Amendment(s), Technical Guidance Letter(s), and/or Revision(s) issued in conjunction with this Contract, if any, constitute the entire agreement of the Parties and are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements made in connection with the subject matter hereof. Any additional or conflicting terms in issued Attachments, Technical Guidance Letters, and/or Revisions shall be harmonized with this Contract to the extent possible. Unless an Attachment, Technical Guidance Letter, or Revision specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language shall be construed consistently with the Contract.

8.18 PROPER AUTHORITY

Each Party hereto represents and warrants that the person executing this Contract on its behalf has full power and authority to legally bind its respective entity. Subrecipient acknowledges that this Contract is effective for the period of time specified in the Contract. Any work performed by Subrecipient after the Contract terminates is performed at the sole risk of Subrecipient.

8.19 COUNTERPARTS

This Contract may be executed in any number of counterparts, each of which shall be an original, and all such counterparts shall together constitute but one and the same Contract.

8.20 SURVIVAL

The provisions of **Articles V, VI, and VII** and **Sections 1.01, 1.03, 2.05, 3.02, 3.04, 3.05, 8.02, 8.03, 8.07, 8.08, 8.09, 8.10, 8.11, 8.13, 8.14, 8.15, and 8.16** of this Contract and any

other continuing obligations of Subrecipient shall survive the termination or expiration of this Contract.

8.21 CONTRACT CLOSEOUT

Upon completion of all Activities required for the Contract, and, pursuant to **Section 2.03** hereof, Subrecipient shall prepare a final **Grant Completion Report** confirming final performance measures, budgets, and expenses. The GLO will close the Contract in accordance with 2 C.F.R. §§ 200.344 through 200.346 and GLO CDBG-MIT guidelines consistent therewith.

SUBRECIPIENT SHALL SUBMIT A FINAL BUDGET AND ACTUAL EXPENDITURES TO THE GLO AS PART OF THE GRANT COMPLETION REPORT PRIOR TO CONTRACT EXPIRATION OR TERMINATION OR AT THE CONCLUSION OF ALL CONTRACT ACTIVITIES, WHICHEVER OCCURS FIRST. THE GRANT COMPLETION REPORT SHALL BE IN A FORMAT PRESCRIBED BY THE GLO AND SHALL CONFIRM ELIGIBILITY AND COMPLETION OF ALL ACTIVITIES PERFORMED UNDER THIS CONTRACT. FAILURE TO SUBMIT TO THE GLO THE FINAL BUDGET AND ACTUAL EXPENDITURES AS PART OF THE GRANT COMPLETION REPORT PRIOR TO CONTRACT EXPIRATION OR TERMINATION WILL RESULT IN FORFEITURE AND DE-OBLIGATION OF ALL REMAINING UNREQUESTED FUNDS.

The GLO will notify Subrecipient via official closeout letter upon review and approval of the final Grant Completion Report.

8.22 INDIRECT COST RATES

Unless, under the terms of 2 C.F.R. Part 200, Appendix V, Subrecipient has negotiated or does negotiate an indirect cost rate with the federal government, subject to periodic renegotiations of the rate during the Contract Period, or is exempt from such negotiations and has developed and maintains an auditable central service cost allocation plan, Subrecipient's indirect cost rate shall be set by 2 C.F.R. § 200.414(f), i.e., ten percent (10%).

8.23 CONFLICT OF INTEREST

- (a) Subrecipient shall abide by the provisions of this section and include the provisions in all subcontracts. Subrecipient shall comply with all conflict-of-interest laws and regulations applicable to the Program.
- (b) Subrecipient shall maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts.

8.24 FORCE MAJEURE

Except with respect to the obligation of payments under this Contract, if either of the Parties, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as "Force Majeure"), then, while compliance is so prevented, the affected Party's obligation to comply with

such covenant shall be suspended, and the affected Party shall not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure must promptly notify the other Party of the Force Majeure event in writing, and, if possible, such notice must set forth the extent and duration of the Force Majeure. The Party claiming Force Majeure must exercise due diligence to prevent, eliminate, or overcome such Force Majeure event when it is possible to do so and must resume performance at the earliest possible date. However, if nonperformance continues for more than thirty (30) days, the GLO may terminate this Contract immediately upon written notification to Subrecipient.

8.25 ENVIRONMENTAL CLEARANCE REQUIREMENTS

- (a) Subrecipient is the responsible entity, as “responsible entity” is defined under 24 C.F.R. Part 58, and is accountable for conducting environmental reviews and for obtaining any environmental clearance necessary for successful completion of an Activity or the Project. Subrecipient shall prepare an environmental review or assessment of each Activity or the Project in accordance with applicable laws, regulations, rules, and guidance. Subrecipient shall maintain a written Environmental Review Record (“ERR”) for each Activity or the Project, including all supporting source documentation and documentation to support any project mitigation. Subrecipient shall provide a copy of the ERR and all related source documentation to the GLO.
- (b) Subrecipient shall address inquiries and complaints and shall provide appropriate redress related to environmental Activities. Subrecipient shall document each communication issued or received hereunder in the related ERR.

- (d) The Parties acknowledge and understand that the GLO may enter into interagency agreements with the Texas Historical Commission and other entities in order to facilitate any necessary environmental or historic review. The GLO may incorporate one or more interagency agreements into this Contract via a Technical Guidance Letter.

8.26 CITIZEN PARTICIPATION AND ALTERNATIVE REQUIREMENTS

- (a) Subrecipient must ensure that all citizens have equal and ongoing access to information about an Activity or the Project, including ensuring that Activity or Project information is available in the appropriate languages for the geographical area served by Subrecipient. Information furnished to citizens shall include, without limitation:
 - (i) The amount of CDBG-MIT funds expected to be made available;
 - (ii) The range of Activities or projects that may be undertaken with the CDBG-MIT funds;

- (iii) The estimated amount of the CDBG-MIT funds proposed to be used for Activities or projects meeting the national objective of benefiting low-to-moderate income persons; and
 - (iv) A clear statement of such and the entity's anti-displacement and relocation plan if any proposed CDBG-MIT Activities or projects are likely to result in displacement.
- (b) Complaint Procedures: Subrecipient must have written citizen-complaint procedures for providing a timely written response (within fifteen [15] working days) to complaints and grievances. Subrecipient shall notify citizens of the location and the days and hours when the location is open for business so they may obtain a copy of these written procedures.
 - (c) Technical Assistance: If requested, Subrecipient shall provide technical assistance in completing applications under the Project to persons of low and moderate income.
 - (d) Subrecipient shall maintain a citizen participation file that includes a copy of Subrecipient's complaint procedures, documentation and evidence of opportunities provided for citizen participation (e.g., public notices, advertisements, flyers, etc.), documentation of citizen participation events (e.g., meeting minutes, attendance lists, sign-in sheets, news reports, etc.), and documentation of any technical assistance requested and/or provided.

8.27 SIGNAGE REQUIREMENTS

On any public building or facility funded under this Contract, Subrecipient shall place permanent signage. Signs shall be placed in a prominent, visible public location. Subrecipient shall format each sign to best fit the architectural design of the building or facility but the sign should be legible from a distance of at least three (3) feet.

For other construction projects (e.g., water transmission lines, sewer collection lines, drainage, roadways, housing rehabilitation) funded under this Contract, Subrecipient shall place temporary signage erected in a prominent location at the construction project site or along a major thoroughfare within the locality.

All signage required under this section shall contain the following:

"This project is funded by the Texas General Land Office of the State of Texas to provide for the restoration of infrastructure for communities impacted by Hurricane Harvey. The funds have been allocated by the United States Department of Housing and Urban Development through the Community Development Block Grant – Mitigation Program."

8.28 PREFERENCE AND PROCUREMENT OF MATERIALS

- (a) To the extent applicable, Subrecipient shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired in the following manner:
 - (i) competitively within a timeframe allowing compliance with the Contract's performance schedule;

- (ii) in a way that meets the Contract's performance requirements; or
- (iii) at a reasonable price.

To ensure maximum use of recovered/recycled materials pursuant to 2 C.F.R. § 200.323, information about this requirement, along with the list of EPA-designated items, is available at the EPA's Comprehensive Procurement Guideline Program website, <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.

- (b) As appropriate and to the extent consistent with law, Subrecipient should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products).
- (c) For purposes of section (b) above:
 - (i) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
 - (ii) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

8.29 EQUAL OPPORTUNITY CLAUSE

Subrecipient hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 C.F.R. Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

"During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive

consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.”

Subrecipient further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if Subrecipient so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

Subrecipient agrees that it will assist and cooperate actively with the GLO and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the GLO and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the GLO in the discharge of the GLO's primary responsibility for securing compliance.

Subrecipient further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts, as defined in 41 C.F.R. § 60-1.3, and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, Subrecipient agrees that if it fails or refuses to comply with these undertakings, the GLO may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this Contract; refrain from extending any further assistance to Subrecipient under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from Subrecipient; and refer the case to the Department of Justice for appropriate legal proceedings.

GENERAL AFFIRMATIONS

For the purposes of this document, the term “governmental entities” shall have the same meaning as defined in Chapter 2251 of the Texas Government Code.

TO THE EXTENT APPLICABLE, Subrecipient affirms and agrees to the following, without exception:

1. Subrecipient represents and warrants that, in accordance with Section 2155.005 of the Texas Government Code, neither Subrecipient nor the firm, corporation, partnership, or institution represented by Subrecipient, or anyone acting for such a firm, corporation, partnership, or institution has (1) violated any provision of the Texas Free Enterprise and Antitrust Act of 1983, Chapter 15 of the Texas Business and Commerce Code, or the federal antitrust laws, or (2) communicated directly or indirectly the contents of this Contract or any solicitation response upon which this Contract is based to any competitor or any other person engaged in the same line of business as Subrecipient.
2. If the Contract is for services, Subrecipient shall comply with Section 2155.4441 of the Texas Government Code, requiring the purchase of products and materials produced in the State of Texas in performing service contracts, but for contracts subject to 2 CFR 200, only to the extent such compliance is consistent with 2 CFR 200.319.
3. Under Section 231.006 of the Family Code, the vendor or applicant [Subrecipient] certifies that the individual or business entity named in this Contract, bid or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate. *[Not applicable to contracts with governmental entities.]*
4. A bid or an application for a contract, grant, or loan paid from state funds must include the name and social security number of the individual or sole proprietor and each partner, shareholder, or owner with an ownership interest of at least 25 percent of the business entity submitting the bid or application. Subrecipient certifies it has submitted this information to the GLO. *[Not applicable to contracts with governmental entities.]*
5. If the Contract is for the purchase or lease of computer equipment, as defined by Texas Health and Safety Code Section 361.952(2), Subrecipient certifies that it is in compliance with Subchapter Y, Chapter 361 of the Texas Health and Safety Code, related to the Computer Equipment Recycling Program and the Texas Commission on Environmental Quality rules in Title 30 Texas Administrative Code Chapter 328.
6. Subrecipient represents and warrants that it has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the Contract.
7. Subrecipient agrees that any payments due under the Contract shall be applied towards any debt or delinquency that is owed by Subrecipient to the State of Texas.
8. Upon request of the GLO, Subrecipient shall provide copies of its most recent business continuity and disaster recovery plans.

9. If the Contract is for consulting services governed by Texas Government Code Chapter 2254, Subchapter B, in accordance with Section 2254.033 of the Texas Government Code, relating to consulting services, Subrecipient certifies that it does not employ an individual who has been employed by the GLO or another agency at any time during the two years preceding the Subrecipient's submission of its offer to provide consulting services to the GLO or, in the alternative Subrecipient, in its offer to provide consulting services to the GLO, disclosed the following: (i) the nature of the previous employment with the GLO or other state agency; (ii) the date the employment was terminated; and (iii) the annual rate of compensation for the employment at the time of its termination.
10. If the Contract is not for architecture, engineering, or construction services, except as otherwise provided by statute, rule, or regulation, Subrecipient must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve any dispute arising under the Contract. **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO OR, IF APPLICABLE, OF GOVERNMENTAL IMMUNITY BY SUBRECIPIENT.**
11. If the Contract is for architecture, engineering, or construction services, subject to Texas Government Code Section 2260.002 and Texas Civil Practice and Remedies Code Chapter 114, and except as otherwise provided by statute, rule, or regulation, Subrecipient shall use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve all disputes arising under this Contract. Except as otherwise provided by statute, rule, or regulation, in accordance with the Texas Civil Practice and Remedies Code, Section 114.005, claims encompassed by Texas Government Code, Section 2260.002(3) and Texas Civil Practice and Remedies Code Section 114.002 shall be governed by the dispute resolution process set forth below in subsections (a)-(d). **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO OR, IF APPLICABLE, OF GOVERNMENTAL IMMUNITY BY SUBRECIPIENT.**
 - a. Notwithstanding Texas Government Code, Chapter 2260.002(3) and Chapter 114.012 and any other statute or applicable law, if Subrecipient's claim for breach of contract cannot be resolved by the Parties in the ordinary course of business, Subrecipient may make a claim against the GLO for breach of contract and the GLO may assert a counterclaim against Subrecipient as is contemplated by Texas Government Code, Chapter 2260, Subchapter B. In such event, Subrecipient must provide written notice to the GLO of a claim for breach of the Contract not later than the 180th day after the date of the event giving rise to the claim. The notice must state with particularity: (1) the nature of the alleged breach; (2) the amount Subrecipient seeks as damages; and (3) the legal theory of recovery.
 - b. The chief administrative officer, or if designated in the Contract, another officer of the GLO, shall examine the claim and any counterclaim and negotiate with Subrecipient in an effort to resolve them. The negotiation must begin no later than the 120th day after the date the claim is received, as is contemplated by Texas Government Code, Chapter 2260, Section 2260.052.
 - c. If the negotiation under paragraph (b) above results in the resolution of some disputed issues by agreement or in a settlement, the Parties shall reduce the agreement or

settlement to writing and each Party shall sign the agreement or settlement. A partial settlement or resolution of a claim does not waive a Party's rights under this Contract as to the parts of the claim that are not resolved.

- d. If a claim is not entirely resolved under paragraph (b) above, on or before the 270th day after the date the claim is filed with the GLO, unless the Parties agree in writing to an extension of time, the Parties may agree to mediate a claim made under this dispute resolution procedure. This dispute resolution procedure is Subrecipient's sole and exclusive process for seeking a remedy for an alleged breach of contract by the GLO if the Parties are unable to resolve their disputes as described in this section.
 - e. Nothing in the Contract shall be construed as a waiver of the state's or the GLO's sovereign immunity, or, if applicable, the governmental immunity of Subrecipient. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas or Subrecipient. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas or, if applicable, of Subrecipient under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies or immunities or be considered as a basis for estoppel. The GLO does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the GLO, prior to or subsequent to entering into this Contract. Subrecipient does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the GLO, prior to or subsequent to entering into this Contract.
 - f. Except as otherwise provided by statute, rule, or regulation, compliance with the dispute resolution process provided for in Texas Government Code, Chapter 2260, subchapter B and incorporated by reference in subsection (a)-(d) above is a condition precedent to the Subrecipient: (1) filing suit pursuant to Chapter 114 of the Civil Practices and Remedies Code; or (2) initiating a contested case hearing pursuant to Subchapter C of Chapter 2260 of the Texas Government Code.
12. If Chapter 2271 of the Texas Government Code applies to this Contract, Subrecipient verifies that it does not boycott Israel and will not boycott Israel during the term of the Contract.
13. This Contract is contingent upon the continued availability of lawful appropriations by the Texas Legislature. Subrecipient understands that all obligations of the GLO under this Contract are subject to the availability of funds. If such funds are not appropriated or become unavailable, the GLO may terminate the Contract. The Contract shall not be construed as creating a debt on behalf of the GLO in violation of Article III, Section 49a of the Texas Constitution.
14. Subrecipient certifies that it is not listed in the prohibited vendors list authorized by Executive Order 13224, "Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism", published by the United States Department of the Treasury, Office of Foreign Assets Control.

15. In accordance with Section 669.003 of the Texas Government Code, relating to contracting with the executive head of a state agency, Subrecipient certifies that it is not (1) the executive head of the GLO, (2) a person who at any time during the four years before the effective date of the Contract was the executive head of the GLO, or (3) a person who employs a current or former executive head of the GLO.
16. Subrecipient represents and warrants that all statements and information prepared and submitted in connection with this Contract are current, complete, true, and accurate. Submitting a false statement or making a material misrepresentation during the performance of this Contract is a material breach of contract and may void the Contract or be grounds for its termination.
17. Pursuant to Section 2155.004(a) of the Texas Government Code, Subrecipient certifies that neither Subrecipient nor any person or entity represented by Subrecipient has received compensation from the GLO to participate in the preparation of the specifications or solicitation on which this Contract is based. Under Section 2155.004(b) of the Texas Government Code, Subrecipient certifies that the individual or business entity named in this Contract is not ineligible to receive the specified Contract and acknowledges that the Contract may be terminated and payment withheld if this certification is inaccurate. This Section does not prohibit Subrecipient from providing free technical assistance.
18. Subrecipient represents and warrants that it is not engaged in business with Iran, Sudan, or a foreign terrorist organization, as prohibited by Section 2252.152 of the Texas Government Code.
19. In accordance with Section 2252.901 of the Texas Government Code, for the categories of contracts listed in that section, Subrecipient represents and warrants that none of its employees including, but not limited to, those authorized to provide services under the contract, were employees of the GLO during the twelve (12) month period immediately prior to the date of execution of the contract. Solely for professional services contracts as described by Chapter 2254 of the Texas Government Code, Subrecipient further represents and warrants that if a former employee of the GLO was employed by Subrecipient within one year of the employee's leaving the GLO, then such employee will not perform services on projects with Subrecipient that the employee worked on while employed by the GLO.
20. The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to any Party.
21. IF THE CONTRACT IS NOT FOR ARCHITECTURE OR ENGINEERING SERVICES GOVERNED BY TEXAS GOVERNMENT CODE CHAPTER 2254, SUBRECIPIENT, TO THE EXTENT ALLOWED BY LAW, SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS THE STATE OF TEXAS AND THE GLO, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND

EXPENSES ARISING OUT OF, OR RESULTING FROM ANY ACTS OR OMISSIONS OF SUBRECIPIENT OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT AND ANY PURCHASE ORDERS ISSUED UNDER THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY SUBRECIPIENT WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND SUBRECIPIENT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. SUBRECIPIENT AND THE GLO SHALL FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM. *[Not applicable to contracts with governmental entities.]*

22. IF THE CONTRACT IS FOR ARCHITECTURE OR ENGINEERING SERVICES GOVERNED BY TEXAS GOVERNMENT CODE CHAPTER 2254, SUBRECIPIENT, TO THE EXTENT ALLOWED BY LAW, SHALL INDEMNIFY AND HOLD HARMLESS THE STATE OF TEXAS AND THE GLO, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED DAMAGES, COSTS, ATTORNEY FEES, AND EXPENSES TO THE EXTENT CAUSED BY, ARISING OUT OF, OR RESULTING FROM ANY ACTS OF NEGLIGENCE, INTENTIONAL TORTS, WILLFUL MISCONDUCT, PERSONAL INJURY OR DAMAGE TO PROPERTY, AND/OR OTHERWISE RELATED TO SUBRECIPIENT'S PERFORMANCE, AND/OR FAILURES TO PAY A SUBCONTRACTOR OR SUPPLIER BY THE SUBRECIPIENT OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, CONSULTANTS UNDER CONTRACT TO SUBRECIPIENT, OR ANY OTHER ENTITY OVER WHICH THE CONTRACTOR EXERCISES CONTROL, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY SUBRECIPIENT WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND SUBRECIPIENT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. SUBRECIPIENT AND THE GLO SHALL FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM. *[Not applicable to contracts with governmental entities.]*
23. TO THE EXTENT ALLOWED BY LAW, SUBRECIPIENT SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE GLO AND THE STATE OF TEXAS FROM AND AGAINST ANY AND ALL CLAIMS, VIOLATIONS, MISAPPROPRIATIONS OR INFRINGEMENT OF ANY PATENT, TRADEMARK, COPYRIGHT, TRADE SECRET OR OTHER INTELLECTUAL PROPERTY RIGHTS AND/OR OTHER INTANGIBLE PROPERTY, PUBLICITY OR PRIVACY RIGHTS, AND/OR IN CONNECTION WITH OR ARISING FROM: (1) THE PERFORMANCE OR ACTIONS OF SUBRECIPIENT PURSUANT TO THIS CONTRACT; (2) ANY DELIVERABLE, WORK PRODUCT, CONFIGURED SERVICE OR OTHER SERVICE PROVIDED HEREUNDER; AND/OR (3) THE GLO'S AND/OR SUBRECIPIENT'S USE OF OR ACQUISITION OF ANY

REQUESTED SERVICES OR OTHER ITEMS PROVIDED TO THE GLO BY SUBRECIPIENT OR OTHERWISE TO WHICH THE GLO HAS ACCESS AS A RESULT OF SUBRECIPIENT'S PERFORMANCE UNDER THE CONTRACT. SUBRECIPIENT AND THE GLO SHALL FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM. SUBRECIPIENT SHALL BE LIABLE TO PAY ALL COSTS OF DEFENSE, INCLUDING ATTORNEYS' FEES. THE DEFENSE SHALL BE COORDINATED BY SUBRECIPIENT WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL (OAG) WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND SUBRECIPIENT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM OAG. IN ADDITION, SUBRECIPIENT WILL REIMBURSE THE GLO AND THE STATE OF TEXAS FOR ANY CLAIMS, DAMAGES, COSTS, EXPENSES OR OTHER AMOUNTS, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES AND COURT COSTS, ARISING FROM ANY SUCH CLAIM. IF THE GLO DETERMINES THAT A CONFLICT EXISTS BETWEEN ITS INTERESTS AND THOSE OF SUBRECIPIENT OR IF THE GLO IS REQUIRED BY APPLICABLE LAW TO SELECT SEPARATE COUNSEL, THE GLO WILL BE PERMITTED TO SELECT SEPARATE COUNSEL AND SUBRECIPIENT WILL PAY ALL REASONABLE COSTS OF THE GLO'S COUNSEL. *[Not applicable to contracts with governmental entities.]*

24. Subrecipient has disclosed in writing to the GLO all existing or known potential conflicts of interest relative to the performance of the Contract.
25. Sections 2155.006 and 2261.053 of the Texas Government Code prohibit state agencies from accepting a solicitation response or awarding a contract that includes proposed financial participation by a person who, in the past five years, has been convicted of violating a federal law or assessed a penalty in connection with a contract involving relief for Hurricane Rita, Hurricane Katrina, or any other disaster, as defined by Section 418.004 of the Texas Government Code, occurring after September 24, 2005. Under Sections 2155.006 and 2261.053 of the Texas Government Code, Subrecipient certifies that the individual or business entity named in this Contract is not ineligible to receive the specified Contract and acknowledges that this Contract may be terminated and payment withheld if this certification is inaccurate.
26. Subrecipient understands that the GLO will comply with the Texas Public Information Act (Chapter 552 of the Texas Government Code) as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas. Information, documentation, and other material related to this Contract may be subject to public disclosure pursuant to the Texas Public Information Act. In accordance with Section 2252.907 of the Texas Government Code, Subrecipient shall make any information created or exchanged with the State/GLO pursuant to the Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State or the GLO.
27. The person executing this Contract certifies that he/she is duly authorized to execute this Contract on his/her own behalf or on behalf of Subrecipient and legally empowered to contractually bind Subrecipient to the terms and conditions of the Contract and related documents.

28. If the Contract is for architectural or engineering services, pursuant to Section 2254.0031 of the Texas Government Code, which incorporates by reference Section 271.904(d) of the Texas Local Government Code, Subrecipient shall perform services (1) with professional skill and care ordinarily provided by competent engineers or architects practicing under the same or similar circumstances and professional license, and (2) as expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect.
29. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Subrecipient shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the Contract and the requirement to cooperate is included in any subcontract it awards. The GLO may unilaterally amend the Contract to comply with any rules and procedures of the state auditor in the implementation and enforcement of Section 2262.154 of the Texas Government Code.
30. Subrecipient certifies that neither it nor its principals are debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from participation in the Contract by any state or federal agency.
31. Subrecipient expressly acknowledges that funds may not be expended in connection with the purchase of an automated information system unless that system meets certain statutory requirements relating to accessibility by persons with visual impairments. Accordingly, Subrecipient represents and warrants to the GLO that any technology provided to the GLO for purchase pursuant to this Contract is capable, either by virtue of features included within the technology or because it is readily adaptable by use with other technology, of: providing equivalent access for effective use by both visual and non-visual means; presenting information, including prompts used for interactive communications, in formats intended for non-visual use; and being integrated into networks for obtaining, retrieving, and disseminating information used by individuals who are not blind or visually impaired. For purposes of this Section, the phrase "equivalent access" means a substantially similar ability to communicate with or make use of the technology, either directly by features incorporated within the technology or by other reasonable means such as assistive devices or services which would constitute reasonable accommodations under the Americans With Disabilities Act or similar state or federal laws. Examples of methods by which equivalent access may be provided include, but are not limited to, keyboard alternatives to mouse commands and other means of navigating graphical displays, and customizable display appearance.
32. If the Contract is for the purchase or lease of covered television equipment, as defined by Section 361.971(3) of the Texas Health and Safety Code, Subrecipient certifies its compliance with Subchapter Z, Chapter 361 of the Texas Health and Safety Code, related to the Television Equipment Recycling Program.

33. Pursuant to Section 572.069 of the Texas Government Code, Subrecipient certifies it has not employed and will not employ a former state officer or employee who participated in a procurement or contract negotiations for the GLO involving Subrecipient within two (2) years after the date that the contract is signed or the procurement is terminated or withdrawn. This certification only applies to former state officers or employees whose state service or employment ceased on or after September 1, 2015.
34. The GLO does not tolerate any type of fraud. GLO policy promotes consistent, legal, and ethical organizational behavior by assigning responsibilities and providing guidelines to enforce controls. Any violations of law, agency policies, or standards of ethical conduct will be investigated, and appropriate actions will be taken. Subrecipient shall report any possible fraud, waste, or abuse that occurs in connection with the Contract to the GLO's Fraud Reporting hotline at (877) 888-0002.
35. The requirements of Subchapter J, Chapter 552, Government Code, may apply to this Contract and Subrecipient agrees that the Contract can be terminated if Subrecipient knowingly or intentionally fails to comply with a requirement of that subchapter.
36. If Subrecipient, in its performance of the Contract, has access to a state computer system or database, Subrecipient must complete a cybersecurity training program certified under Texas Government Code Section 2054.519, as selected by the GLO. Subrecipient must complete the cybersecurity training program during the initial term of the Contract and during any renewal period. Subrecipient must verify in writing to the GLO its completion of the cybersecurity training program.
37. Under Section 2155.0061, Texas Government Code, Subrecipient certifies that the entity named in this Contract is not ineligible to receive the specified Contract and acknowledges that this Contract may be terminated and payment withheld if this certification is inaccurate. *[Not applicable to contracts with governmental entities.]*
38. Subrecipient certifies that it does not require its customers to provide any documentation certifying the customer's COVID-19 vaccination or post-transmission recovery on entry to, to gain access to, or to receive service from Subrecipient's business. Subrecipient acknowledges that such a vaccine or recovery requirement would make Subrecipient ineligible for a state-funded contract.
39. Pursuant to Government Code Section 2274.0102, Subrecipient certifies that neither it nor its parent company, nor any affiliate of Subrecipient or its parent company, is: (1) majority owned or controlled by citizens or governmental entities of China, Iran, North Korea, Russia, or any other country designated by the Governor under Government Code Section 2274.0103, or (2) headquartered in any of those countries.
40. If Subrecipient is required to make a verification pursuant to Section 2274.002 of the Texas Government Code, Subrecipient verifies that Subrecipient does not boycott energy companies and will not boycott energy companies during the term of the Contract. If Subrecipient does not make that verification, Subrecipient must notify the GLO and state why the verification is not required.

41. If Subrecipient is required to make a verification pursuant to Section 2274.002 of the Texas Government Code, Subrecipient verifies that it (1) does not have a practice, policy, guidance, or directive that discriminates against a “firearm entity” or “firearm trade association” as those terms are defined in Texas Government Code section 2274.001 and (2) will not discriminate during the term of the Contract against a firearm entity or firearm trade association. If Subrecipient does not make that verification, Subrecipient must notify the GLO and state why the verification is not required.
42. If Subrecipient is a “professional sports team” as defined by Texas Occupations Code Section 2004.002, Subrecipient will play the United States national anthem at the beginning of each team sporting event held at Subrecipient’s home venue or other venue controlled by Subrecipient for the event. Failure to comply with this obligation constitutes a default of this Contract, and immediately subjects Subrecipient to the penalties for default, such as repayment of money received or ineligibility for additional money. In addition, Subrecipient may be debarred from contracting with the State. The GLO or the Attorney General may strictly enforce this provision.
43. To the extent Section 552.371 of the Texas Government Code applies to Subrecipient and the Contract, in accordance with Section 552.372 of the Texas Government Code, Subrecipient must (a) preserve all contracting information related to the Contract in accordance with the records retention requirements applicable to the GLO for the duration of the Contract, (b) no later than the tenth business day after the date of the GLO’s request, provide to the GLO any contracting information related to the Contract that is in Subrecipient’s custody or possession, and (c) on termination or expiration of the Contract, either (i) provide to the GLO at no cost all contracting information related to the Contract that is in Subrecipient’s custody or possession or (ii) preserve the contracting information related to the Contract in accordance with the records retention requirements applicable to the GLO. Except as provided by Section 552.374(c) of the Texas Government Code, the requirements of Subchapter J, Chapter 552, Government Code, may apply to the Contract and Subrecipient agrees that the Contract may be terminated if Subrecipient knowingly or intentionally fails to comply with a requirement of that subchapter.
44. If the Contract is for consulting services governed by Chapter 2254 of the Texas Government Code, Subrecipient, upon completion of the Contract, must give the GLO a compilation, in a digital medium agreed to by the Parties, of all documents, films, recordings, or reports Subrecipient compiled in connection with its performance under the Contract.
45. If subject to 2 CFR 200.216, Subrecipient shall not obligate or expend funding provided under this Contract to: (a) procure or obtain; (b) extend or renew a contract to procure or obtain; or (c) enter into a contract to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services, as defined in Public Law 115-232, Section 889, as a substantial or essential component of any system, or as critical technology as part of any system.

NONEXCLUSIVE LIST OF APPLICABLE LAWS, RULES, AND REGULATIONS

If applicable to the Project, Subrecipient must be in compliance with the following laws, rules, and regulations; and any other state, federal, or local laws, rules, and regulations as may become applicable throughout the term of the Contract, and Subrecipient acknowledges that this list may not include all such applicable laws, rules, and regulations.

N. AFFORDABILITY PERIODS FOR SINGLE-FAMILY HOUSING REHABILITATION, RECONSTRUCTION, OR NEW CONSTRUCTION ASSISTANCE

For single-family non-rental housing assistance provided by Subrecipient, Subrecipient shall implement a minimum* three-year affordability period during which the homeowner must occupy the home as a principal place of residence, guaranteed by an unsecured forgivable promissory note.

O. UNSECURED FORGIVABLE PROMISSORY NOTE (“NOTE”)

Housing rehabilitation or reconstruction assistance provided by Subrecipient shall be in the form of a three-year unsecured forgivable promissory note at an interest rate of zero-percent (0%). Provided that all terms and conditions contained in the Note continue to be fulfilled, a Note will be forgiven according to the following terms, as applicable, until the applicant fulfills their note requirement (the requirements are defined in the promissory note document): at a rate of 33 percent per year for the first two years, and 34 percent after the third year.

1. If the homeowner occupies the home for the full three-year term, the Note expires and no repayment is required, nor will any conditions be imposed relative to the disposition of the property. If any of the terms and conditions under which the assistance was provided are breached or if the property is sold, leased, transferred or vacated by the homeowner for any consecutive thirty (30) day period during the Note term, the repayment provisions of the Note shall be enforced.
2. If, during the Note term, the homeowner vacates the unit for any consecutive thirty (30) day period, the locality may forgive, as evidenced by the program director, city council, or commissioner court action, the remaining loan balance. Prior to forgiveness of all or any portion of the assistance provided, the request for forgiveness must be approved by the local governing body and be based on documented and justifiable conditions or circumstances that would result in an unnecessary hardship to the homeowner and, in the case of a limited clientele project, the determination that the national objective of benefiting low to moderate-income persons was met.
3. For a limited clientele project, the national objective will be considered met only when the program director, city council, or county commissioners court determines that a low- to

* Subrecipient may establish a longer affordability period at its own discretion.

moderate-income person has occupied the rehabilitated or reconstructed home for a time sufficient to meet the national objective. If the national objective was not achieved, Subrecipient is liable for repayment of an amount equal to the difference in the appraised value of the home prior to reconstruction and the sales price when the home is sold during the term of the forgivable Note.

4. If property assisted under a limited clientele project is sold or transferred to a person other than an eligible LMI person, the remaining pro-rated balance of the Note must be repaid by Subrecipient from the sales proceeds. Notwithstanding the preceding, Subrecipient shall be held liable for any balance remaining over and above the sales proceeds. In all instances, upon completion of the Note or repayment of the assistance (in full or in part), Subrecipient shall prepare and record a release of lien document in the land records of the applicable county.
5. Monitoring of the Note is required both during and after the grant is closed. Subrecipient must utilize non-CDBG funds to fulfill the monitoring obligations for its impacted recovered community.
6. Subrecipient will maintain a list of homeowners that do not maintain flood insurance as documented in their promissory note. These applicants will not be allowed to receive future assistance as outlined in Section B of this document.

P. RENTAL HOUSING REHABILITATION, RECONSTRUCTION, OR NEW CONSTRUCTION ASSISTANCE

Rental housing rehabilitation, reconstruction, or new construction assistance will provided be provided in the form of a forgivable loan or grant at zero interest dependent on the applicable Federal Register notice, Action Plan, or Housing Guidelines. Provided all terms and conditions under which the assistance was provided continue to be fulfilled, the note will be forgiven on a pro-rated basis until the applicant fulfills their note requirement (the requirements are defined in the promissory note document).

The purpose of the program is to facilitate the rehabilitation, reconstruction, and/or new construction of affordable rental housing needs within the service area of a disaster event in order to increase resilience to disasters and reduce or eliminate the long-term risk of loss of life, injury, damage to and loss of property, and suffering and hardship, by lessening the impact of future disasters. A minimum of 51% of the multi-family units must be restricted during the affordability period of twenty (20) years for low to moderate income (LMI) persons. The rents, at a minimum, must comply with High HOME Investment Partnership (HOME) Rents and other existing Land Use Restriction Agreement (LURA) restrictions if applicable. HOME rent limits are defined by HUD and must equal the lesser of fair market rents or 30% of the adjusted income for people earning 65% of the AMFI.

Q. COASTAL MANAGEMENT

Subrecipient acknowledges and agrees that any Project that may impact a Coastal Natural Resource Area must be consistent with the goals and policies of the Texas Coastal Management Program as described in 31 Texas Administrative Code, Part 16, Chapter 501.

- 5.4. Subrecipient shall take all reasonable steps to immediately remedy a Breach of Security and prevent any further Breach of Security.
- 5.5. Subrecipient shall not inform any third party of any Breach of Security or suspected Breach of Security without first obtaining GLO's prior written consent unless such action is required by law or is limited to third party personnel that have a need to know for the sole purpose of containing or remediating the Breach of Security or suspected Breach of Security. However, while a third party may be informed of the Breach or suspected Breach for the sole purpose of containing or remediating it, no GLO Data shall be shared with such third party unless express written permission is obtained from the GLO in accordance with Section 2.5. Subrecipient will legally bind such third party to the same requirements stated herein and obligations stipulated in the Contract and documents related thereto as soon as practicable upon securing such third party to contain or remediate the Breach of Security or suspected Breach of Security.
- 5.6. Notwithstanding the remedies provided in the Contract, if a Breach of Security includes SPI, Subrecipient shall, at the discretion of the GLO, notify affected individuals of such Breach and provide affected individuals complimentary access to one (1) year of credit monitoring services.

6. Right to Audit

- 6.1 Upon the GLO's request and to confirm Subrecipient's compliance with this Attachment, Subrecipient grants the GLO, or a GLO-contracted vendor, permission to perform an assessment, audit, examination, investigation, or review of all controls in Subrecipient's, or Subrecipient's contractor/subcontractor's, physical and/or technical environment in relation to GLO Data. Subrecipient shall fully cooperate with such assessment by providing access to knowledgeable personnel, physical premises,

documentation, infrastructure and application software that stores, processes, or transports GLO Data. In lieu of a GLO-conducted assessment, audit, examination, investigation, or review, Subrecipient may supply, upon GLO approval, the following reports: SSAE18, ISO/ICE 27001 Certification, FedRAMP Certification, and PCI Compliance Report. Subrecipient shall ensure that this clause concerning the GLO's authority to assess, audit, examine, investigate, or review is included in any contract/subcontract that Subrecipient awards.

- 6.2 At the GLO's request, Subrecipient shall promptly and accurately complete a written information security questionnaire provided by the GLO regarding Subrecipient's business practices and information technology environment in relation to GLO Data and the GLO shall consider such information to be confidential to the extent allowed by law.
